

YOUTH GROUP CANOE TRIP

Namekagon River
Trego, Wisconsin

THE EXPERIENCE

The Namekagon River is one of the most beautiful rivers in the Midwest.

Your trip will consist of paddling down this scenic river during the day and camping under the stars at night. This is a true wilderness experience right here in Northern Wisconsin.

TRIP DETAILS / 2 NIGHTS-3 DAYS:

DAY 1-

- Your group will meet our team at the County K Landing outside of Trego, Wisconsin.
- The group chaperones and our team will shuttle your group's vehicle(s) to Riverside Landing near Danbury, Wisconsin. This will take roughly an hour. Your students and chaperone will be left with yard games (spike ball, cornhole, etc.) for extra fun at County K Landing.
- Upon the group chaperones and our team returning to the County K Landing, there will be a brief canoe safety training and safety talk. Then you'll be on your way!
- Lunch will either be on the river or at the landing.

- Your group will paddle approximately 13 miles to the Howell Campground where you will spend your first night. We will be waiting there with all of the camping gear and food.
- Your group will have dinner, campfire, games, and devotional time.

Our team will assist you with all meals.

DAY 2 -

- Your group will depart Howell Campground after breakfast and continue downriver.
- Lunch will be on the river.
- You will again paddle approximately 13 miles to one of two primitive group campsites on the lower reaches of the Namekagon. (Primitive campsites cannot be reserved, so in the event both of these group sites are taken, we will drive back to Howell Campground for the night. However, I will be driving to these group sites immediately after breakfast. The chances they are both taken by the time I get there are slim.)
- We will be waiting with all of the camping gear and food.

DAY 3 -

- You and your group will depart the primitive site and continue downriver towards Riverside Boat Landing on the St. Croix River.
- There are several small rapids in this section that provide some excitement.
- Lunch will be on the river.
- This will be approximately a 7 mile paddle.
- You will reach Riverside Landing by early afternoon at the latest.
- We will meet you to load up all the canoes, paddles, and life jackets. Then you'll be all set to head home.

MEAL OPTIONS:
